3.3 Adjustment to Cash Purchase Price.

(a) Subject to Section 3.3(b), at the Closing, the Cash Purchase Price shall be adjusted, without duplication, to account for the items set forth in this Section 3.3(a):

(i) The Cash Purchase Price shall be adjusted to account for the items prorated as of the Closing pursuant to Section 3.5.

(ii) If, during the period from the Effective Date and the Closing, the Seller fails to spend the Required Capital Expenditure Amount designated for any capital project set forth in Schedule 3.3(a)(ii), then the Cash Purchase Price shall be decreased by an amount equal to the difference between (A) the Required Capital Expenditure Amount for each such capital project for which the Seller has not spent at least the Required Capital Expenditure Amount and (B) the amount of capital expenditures made by the Seller for such capital project on or after the Effective Date through the Closing, provided that the Required Capital Expenditure Amount for each such capital project scheduled for 2002 shall be pro rated for the number of days of the quarter allocated to such project in Schedule 3.3(a)(ii) elapsed prior to the Closing divided by the total number of days in each such quarter.

(iii) The Cash Purchase Price shall be increased by an amount equal to (w) any amount paid by the Seller pursuant to Section 6.1(d), (x) any operation and maintenance expenses actually paid by the Seller during the Interim Period related to the Refueling Outage that are incurred consistently with the Seller's past practices and

(iv) The Cash Purchase Price shall be (i) increased if and to the extent that the actual Adjusted Book Value of the Seller's Nuclear Fuel on the Closing Date is greater than the amount stated in clause (B) of Section 3.2 and (ii) decreased if and to the extent such Adjusted Book Value is less than such stated amount.

(v) The Cash Purchase Price shall be (i) increased if and to the extent that the actual Adjusted Book Value of the Seller's Inventories on the Closing Date is greater than the amount stated in clause (C) of Section 3.2 and (ii) decreased if and to the extent such Adjusted Book Value is less than such stated amount.

(vii) The Cash Purchase Price shall be decreased for all accrued but unpaid obligations for vacation pay, sick pay, floating holidays or personal days as may be due to Transferred Employees as of the Closing (determined in accordance with generally accepted accounting principles consistent with the Seller's past practices).

(b) At least thirty (30) calendar days prior to the Closing Date, the Seller shall prepare and deliver to the Buyer an estimated closing statement (the "Estimated Closing Statement") that shall set forth the Seller's best estimate of all estimated adjustments to the Cash Purchase Price required by Section 3.3(a) (the "Estimated Adjustment"), together with reasonably detailed information supporting the calculated Estimated Adjustment. Within twenty (20) calendar days after the delivery of the Estimated Closing Statement by the Seller to the Buyer, the Buyer may object in good faith to the Estimated Adjustment in writing. The Seller agrees to cooperate with the Buyer and give the Buyer and its representatives information used to prepare the Estimated Adjustment. If the Buyer objects to the Estimated Adjustment, the Parties shall attempt to resolve their differences by negotiation. If the Parties are unable to do so prior to the Closing Date (or if the Buyer does not object to the Estimated Adjustment), the Cash Purchase Price shall be adjusted (the "Closing Adjustment") for the Closing by the amount of the Estimated Adjustment not in dispute. The disputed portion shall be resolved in accordance with the provisions of Section 3.3(c) and paid as part of any Post-Closing Adjustment to the extent required by Section 3.3(c).

(c) Within sixty (60) days after the Closing Date, the Seller shall prepare and deliver to the Buyer a final closing statement (the "Post-Closing Statement") that shall set forth all adjustments to the Cash Purchase Price required by Section 3.3(a) not previously effected by the Closing Adjustment (the "Proposed Post-Closing Adjustment") and all work papers detailing such adjustments. The Post-Closing Statement shall be prepared using the same accounting principles, policies and methods as the Seller has historically used in connection with the

calculation of the items reflected on such Post-Closing Statement. Within thirty (30) days after the delivery of the Post-Closing Statement by the Seller to the Buyer, the Buyer may object to the Proposed Post-Closing Adjustment in writing. The Seller agrees to cooperate with the Buyer to provide the Buyer with the information used to prepare the Post-Closing Statement and information relating thereto. If the Buyer objects to the Proposed Post-Closing Adjustment, the Parties shall attempt to resolve such dispute by negotiation. If the Parties are unable to resolve such dispute within thirty (30) days after any objection by the Buyer, the Parties shall appoint the Independent Accounting Firm, which shall, at the Seller's and the Buyer's joint expense, review the Proposed Post-Closing Adjustment and determine the appropriate adjustment to the Cash Purchase Price, if any, within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The finding of such Independent Accounting Firm shall be in writing and be binding on the Parties hereto. Upon determination of the appropriate adjustment (the "Post-Closing Adjustment") by agreement of the Parties or by binding written determination of the Independent Accounting Firm, the Party owing the difference shall deliver such amount to the other Party no later than two (2) Business Days after such determination, in immediately available funds or in any other manner as reasonably requested by the payee.

3.4 Allocation of Purchase Price. The Buyer and the Seller shall use their good faith efforts to agree upon an allocation among the Acquired Assets of the Purchase Price consistent with Section 1060 of the Code and the Treasury Regulations thereunder within 120 days of the Effective Date (or such other date as the Parties may agree). If the Buyer and the Seller cannot agree on any such allocation, such dispute shall be resolved in accordance with Section 6.17(d) of this Agreement. The Buyer and the Seller shall treat the transaction contemplated by this Agreement as the acquisition by the Buyer of a trade or business for United States federal income tax purposes and agree that no portion of the consideration therefor shall be treated in whole or in part as the payment for services or future services. The allocation required by this Section 3.4 shall be revised based on the Post-Closing Adjustment within one hundred eighty (180) days after the Closing Date. Within thirty (30) days prior to the Closing Date, the Buyer shall prepare and deliver to the Seller a proposed IRS Form 8594. Within ten (10) days after receipt by the Seller of such proposed IRS Form 8594, the Seller shall notify the Buyer whether it has any objection to such proposed IRS Form 8594, and if so, the Seller and the Buyer shall resolve such objections prior to filing the IRS Forms 8594 as set forth in the next sentence. Each of the Buyer and the Seller agrees to file IRS Form 8594 (which shall be based on the proposed IRS Form 8594 referred to in the preceding sentence) as modified by any Post-Closing Adjustment and as otherwise modified by the Seller and the Buyer pursuant to the preceding sentence, and all federal, state, local and foreign Tax Returns, in accordance with any such agreed allocation as adjusted as provided herein. Each of the Buyer and the Seller shall report the transactions contemplated by this Agreement for federal Tax and all other Tax purposes in a manner consistent with any such allocation determined pursuant to this Section 3.4. Each of the Buyer and the Seller agrees to provide the other promptly with any information required to complete IRS Form 8594. The Buyer and the Seller shall notify and provide the other with reasonable assistance in the event of an examination, audit or other proceeding regarding any allocation of the Purchase Price determined pursuant to this Section 3.4. The Buyer and the

Seller shall not take any position in any Tax Return, Tax proceeding or audit that is inconsistent with such allocation.

Such prorated Taxes or other amounts shall be re-prorated and paid to the appropriate Party within sixty (60) days of the date that the previously unavailable actual figures become available. The prorations shall be based on the number of days in a year or other appropriate period (i) before the Closing and (ii) including and after the Closing. The Seller and the Buyer agree to furnish each other with such documents and other records as may be reasonably requested in order to confirm all adjustment and proration calculations made pursuant to this Section 3.5.

4.2 Authority. The Seller has full corporate power and authority to execute and deliver this Agreement and the Ancillary Agreements to which it is a party and to consummate the transactions contemplated hereby and thereby. Except for approval of this Agreement by the Seller's shareholders, which approval has not been obtained as of the Effective Date, the execution and delivery of this Agreement and the Ancillary Agreements to which the Seller is a party and the consummation of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action required on the part of the Seller and no other corporate proceedings on the part of the Seller are necessary to authorize this Agreement and the Ancillary Agreements to which it is a party or to consummate the transactions contemplated hereby and thereby. This Agreement has been duly and validly executed and delivered by the Seller, and assuming that this Agreement constitutes a valid and binding agreement of the Buyer, subject to the receipt of the Seller's Required Regulatory Approvals, constitutes the legal, valid and binding agreement of the Seller, enforceable against the Seller in accordance with its terms. When each Ancillary Agreement to which the Seller is a party has been executed and delivered by the other parties thereto, subject to the receipt of the Seller's Required Regulatory Approvals, such Ancillary Agreement will constitute a valid and legally binding obligation of the Seller, enforceable in accordance with its terms.

4.3 Consents and Approvals; No Violation.

(a) Except as set forth in Schedule 4.3(a), and subject to the receipt of the Seller's Required Regulatory Approvals, neither the execution and delivery by the Seller of this Agreement or the Ancillary Agreements to which the Seller is a party nor the consummation of the transactions contemplated hereby or thereby will (i) conflict with or result in the breach or violation of any provision of the Articles of Association or Bylaws of the Seller, (ii) violate any constitution, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge, license

(b) Except as set forth in Schedule 4.3(b) (the filings and approvals, including all relevant decisions and orders, applicable to the Seller and/or the Sponsors and referred to in Schedule 4.3(b) are collectively referred to as the “Seller’s Required Regulatory Approvals”), no declaration, filing or registration with, or notice to, or authorization, consent or approval of any Governmental Authority is necessary for the consummation by the Seller of the transactions contemplated hereby.

4.4 Financial Statements.

(a) Seller has delivered to Buyer complete and correct copies of (i) its balance sheets at December 31, 1998, 1999 and 2000 and the related statements of income and retained earnings and statements of cash flows and capital expenditures for the years then ended, together with the notes thereto and the report thereon by Arthur Andersen LLP and (ii) its unaudited balance sheets at the end of each calendar month ended after December 31, 2000 and prior to the Effective Date and its unaudited statements of operations and cash flows for such months. Such financial statements, including all related notes, fairly present in all material respects the consolidated financial position, assets and liabilities (whether accrued, absolute, contingent or otherwise) of the Seller as of the respective dates thereof and the consolidated results of operations, changes in retained earnings and cash flows of the Seller for the periods indicated in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods involved (except for changes in accounting principles disclosed in the notes thereto) and subject in the case of interim financial statements to year-end adjustments and the absence of notes. The Real Property constitutes all of the real property necessary to operate the Facility as currently operated. Except for Permitted Encumbrances and as set forth in Schedule 4.7, the Seller has good and valid title to each of the Acquired Assets not constituting Real Property free and clear of all Encumbrances.

4.8 Real Property Agreements. Schedule 4.8 lists, as of the date of this Agreement, all real property leases, easements, licenses and other rights in real property (collectively, the "Real Property Agreements") to which the Seller is a party and which (a) are to be transferred and assigned to the Buyer on the Closing Date, (b) affect all or any part of any Real Property in any material respect, or (c) (i) provide for annual payments of more than \$100,000 or (ii) are material to the ownership or operation of the Acquired Assets. Except as set forth in Schedule 4.8, all such Real Property Agreements are valid, binding and enforceable on the Seller in accordance with their terms and are in full force and effect; there are no existing material defaults by the Seller or, to the Seller's Knowledge, any other party thereunder; and no event has occurred which (whether with or without notice, lapse of time or both) would constitute a material default by the Seller or, to the Seller's Knowledge, any other party thereunder.

4.9 Insurance. All material policies of fire, liability, property damage, worker's compensation, nuclear and other forms of insurance owned or held by the Seller and insuring the Acquired Assets are listed in Schedule 4.9 along with the amount of the coverage, the type of insurance, the risks insured, the expiration date and the policy number. The Acquired Assets related to the metering of power to and from the VYNPS are in material conformance with all applicable NEPOOL standards and requirements.

(d) The Facility is operational and the Seller is not aware of any condition that would prevent the Facility’s operation at full rated power.

(e) The sewer and water systems and all other utilities that currently service the Real Property are sufficient for the operation of the Facility. The Seller has no reason to believe that such systems and utilities will not be sufficient to continue to service the Facility, or that such services will not exist on the Closing Date. The Seller has not received and has no reason to believe that it will receive any notice of the curtailment of any utility service supplied to the Real Property.

4.14 Condemnation; Public Improvements. Neither the whole nor any part of the Real Property or any other real property or rights leased, used or occupied by the Seller in connection with the ownership or operation of the Acquired Assets is subject to any pending or, to the Seller’s Knowledge, threatened suit for condemnation or other taking by any Governmental Authority. (c) Except as set forth in Schedule 4.15(c), there is not, under any of the Seller's Agreements or Real Property Agreements, any default or event which, with notice or lapse of time or both, would constitute a default on the part of any of the Seller or, to the Seller's Knowledge, the other parties thereto, except such events of default and other events as to which requisite waivers or consents have been obtained or which would not, individually or in the aggregate, have a Material Adverse Effect.

4.16 Legal Proceedings, etc. Except as set forth in Schedule 4.16, there are no claims, actions, proceedings or investigations pending or, to the Seller's knowledge, threatened against the Seller before any Governmental Authority or any arbitrating body which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. Except as set forth in Schedule 4.17(a), the Seller has not received any written notification that it is in violation of any such Permits, or any law, statute, order, rule, regulation, ordinance or judgment of any Governmental Authority applicable to it, except for notifications of violations which would not, individually or in the aggregate, have a Material Adverse Effect. The Seller is in compliance with all Permits, laws, statutes, orders, rules, regulations, ordinances or judgments of any Governmental Authority applicable to the Acquired Assets, except for violations which would not, individually or in the aggregate, have a Material

Adverse Effect. No Governmental Authority has taken any action that would prevent the Facility from operating at its full rated capacity at or after the Closing.

(d) The Seller has made available to the Buyer the balance sheets for the Qualified Decommissioning Fund as of December 31, 2000, and promptly after becoming available, but in any event prior to Closing, such balance sheets as of December 31, 2001, and for the last quarter prior to Closing, and will make available to the Buyer the balance sheets for the Qualified Decommissioning Fund as of the last Business Day before Closing, and they present or will present, as the case may be, fairly in all material respects as of December 31, 2000 and as of the last Business Day before Closing, as the case may be, the financial position of the Qualified Decommissioning Fund in conformity with generally accepted accounting principles applied on a consistent basis, except as otherwise noted therein. 4.22 Zoning Classification. The Real Property is zoned as set forth in Schedule 4.22. The current zoning categories permit, and as of the Closing will permit, the operation of the Facility. The Seller has not requested, applied for, or given its consent to, and has no Knowledge of, any pending zoning variance or change with respect to the zoning of any of the Real Property.

4.23 Intellectual Property. Except as set forth in Schedule 4.23, the Seller has ownership of, or license to use, all of the Intellectual Property necessary for the operation of the Acquired Assets and the rights of the Seller in such (i) Owned Intellectual Property relating to the Acquired Assets are freely transferable and (ii) Licensed Intellectual Property relating to the Acquired Assets are freely assignable. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN SECTIONS 4.10, 4.17 AND 4.18, THE SELLER FURTHER SPECIALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING THE ABSENCE OF HAZARDOUS SUBSTANCES OR LIABILITY ARISING UNDER ENVIRONMENTAL LAWS. When each Ancillary Agreement to which the Buyer is a party has been executed and delivered by the other parties thereto, subject to the receipt of the Buyer’s Required Regulatory Approvals, such Ancillary Agreement will constitute a valid and legally binding obligation of the Buyer, enforceable in accordance with its terms.

5.3 Consents and Approvals; No Violation.

(a) Except as set forth in Schedule 5.3(a), and subject to the receipt of the Buyer's Required Regulatory Approvals, neither the execution and delivery by the Buyer of this Agreement and the Ancillary Agreements to which the Buyer is a party nor the consummation of the transactions contemplated hereby or thereby will (i) conflict with or result in any breach of any provision of the Certificate of Formation and Operating Agreement (or other similar governing documents) of the Buyer, (ii) require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Authority, (iii) result in a default (or give rise to any right of termination, cancellation or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation to which the Buyer is a party or by which any of its assets may be bound, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained or which would not, individually or in the aggregate, have a Material Adverse Effect, or (iv) violate any law, regulation, order, judgment or decree applicable to the Buyer, which violations, individually or in the aggregate, would have a Material Adverse Effect.

(b) Except as set forth in Schedule 5.3(b) (the filings and approvals, including all relevant decisions and orders, referred to in such Schedule are collectively referred to as the "Buyer's Required Regulatory Approvals"), no declaration, filing or registration with, or notice to, or authorization, consent or approval of any Governmental Authority is necessary for the consummation by the Buyer of the transactions contemplated hereby.

5.4 Availability of Funds. The Buyer has provided the Seller with true and valid evidence that it has sufficient funds available to it, or has received binding written commitments from third parties to provide sufficient immediately available funds, to pay the Cash Purchase Price on the Closing Date and to enable the Buyer timely to perform all of its obligations under this Agreement (including, without limitation, the Assumed Liabilities and Obligations) and the Ancillary Agreements to which it is a party.

5.5 Legal Proceedings. There are no actions, suits or proceedings pending, or, to the Buyer's Knowledge, threatened, against the Buyer or its members before any court, arbitrator or Governmental Authority which, individually or in the aggregate, would have a Material Adverse Effect or that questions the validity of this Agreement or the Ancillary Agreements to which the Buyer is a party or of any action taken or to be taken pursuant to or in connection with the provisions of this Agreement or the Ancillary Agreements to which the Buyer is a party. Neither the Buyer nor its members is subject to any outstanding judgments, rules, orders, writs, injunctions or decrees of any court, arbitrator or Governmental Authority which, individually or in the aggregate, would have a Material Adverse Effect, or impair, estop, impede, restrain, ban or otherwise adversely affect the Buyer's ability to satisfy or perform the Assumed Liabilities under any federal, state or local law.

5.6 WARN Act. The Buyer shall not, with respect to the Acquired Assets, engage in a "plant closing" or "mass layoff," as such terms are defined in the WARN Act, within ninety (90) days after the Closing Date.

5.7 “As Is Sale”. The representations and warranties set forth in Article IV hereof constitute the sole and exclusive representations and warranties of the Seller in connection with the transactions contemplated hereby. There are no representations, warranties, covenants, understandings or agreements among the Parties regarding the Acquired Assets or their transfer other than those incorporated in this Agreement. Except for the representations and warranties expressly set forth in Article IV hereof, the Buyer disclaims reliance on any representations, warranties or guarantees, either express or implied, by the Seller, including but not limited to any representation or warranty expressed or implied in the Offering Memorandum dated April, 2001, and materials provided in connection therewith, including any oral, written or electronic response to any information request provided to the Buyer. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, THE BUYER ACKNOWLEDGES AND AGREES THAT THE ACQUIRED ASSETS ARE BEING ACQUIRED “AS IS, WHERE IS” ON THE CLOSING DATE, AND IN THEIR CONDITION ON THE CLOSING DATE, AND THAT THE BUYER IS RELYING ON ITS OWN EXAMINATION OF THE ACQUIRED ASSETS, AND IS NOT RELYING ON ANY REPRESENTATION OR WARRANTY MADE BY THE SELLER OR ANY SPONSOR, OR ANY OFFICER, EMPLOYEE, CONSULTANT OR AGENT THEREOF, OR ANY BROKER OR INVESTMENT BANKER.

5.8 Affiliate Guaranty. If the Buyer assigns its rights and interests hereunder to any Affiliate or Affiliates pursuant to Section 11.5 hereof, the Buyer shall be deemed to have made the representations and warranties in Part A of this Article V on behalf of itself and any such Affiliate as if such Affiliate were a signatory to this Agreement.

5.9 Qualified Buyer. The Buyer is qualified to obtain any Permits necessary for the Buyer to own and operate the Acquired Assets as of the Closing Date, to the extent such operation is required by any Ancillary Agreement or this Agreement.

5.10 Brokers’ Fees. The Buyer has no Liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to this transactions contemplated by this Agreement or the Ancillary Agreements for which the Seller could become liable or obligated.

B. Guarantor represents and warrants to the Seller as follows:

5.11 Organization. Guarantor is a corporation duly formed, validly existing and in good standing under the laws of the State of Delaware and has all requisite power and authority to own, lease and operate its properties and to carry on its business as is now being conducted.

5.12 Authority. Guarantor has full organizational power and authority to execute and deliver this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement and the performance of the obligations contemplated hereby have been duly and validly authorized by all necessary corporate action required on the part of Guarantor and no other corporate proceedings on the part of Guarantor are necessary to authorize this Agreement or to perform the obligations contemplated hereby. This Agreement has been duly and validly executed and delivered by Guarantor, and assuming that this Agreement constitutes a valid and binding agreement of the Seller and Buyer, subject to the receipt of the Seller’s and Guarantor’s

Required Regulatory Approvals, constitutes a valid and binding agreement of Guarantor, enforceable against Guarantor in accordance with its terms.

5.13 Consents and Approvals; No Violation.

(a) Neither the execution and delivery by Guarantor of this Agreement nor the performance of the obligations contemplated hereby will (i) conflict with or result in any breach of any provision of the Certificate of Incorporation and By-laws of Guarantor, (ii) require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Authority, (iii) result in a default (or give rise to any right of termination, cancellation or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, agreement, lease or other instrument or obligation to which Guarantor is a party or by which any of its assets may be bound, except for such defaults (or rights or termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained or which would not, individually or in the aggregate, have a Material Adverse Effect, or (iv) violate any law, regulation, order, judgment or decree applicable to Guarantor, which violations, individually or in the aggregate, would have a Material Adverse Effect. No declaration, filing or registration with, or notice to, or authorization, consent or approval of any Governmental Authority is necessary for the consummation by Guarantor of the transactions contemplated hereby.

5.14 Legal Opinion. On the Effective Date Guarantor will deliver to the Seller an opinion of counsel to the effect that this Agreement is the legal, valid and binding obligation of Guarantor enforceable in accordance with its terms.

ARTICLE VI
COVENANTS OF THE PARTIES

6.1 Conduct of Business During the Interim Period.

(a) During the period from the date of this Agreement to the Closing (the “Interim Period”), the Seller (i) shall operate and maintain the Acquired Assets in the ordinary course consistent with Good Utility Practices and Seller’s past practices unless otherwise contemplated by this Agreement or with the prior written consent of the Buyer. Without limiting the generality of the foregoing, and, except as contemplated in this Agreement or as required under applicable law or by any Governmental Authority, during the Interim Period, without the prior written consent of the Buyer (which shall not be unreasonably withheld), the Seller will not with respect to the Acquired Assets:

(i) make any material change in the levels of fuel inventory (other than Nuclear Fuel) customarily maintained by the Seller with respect to the Acquired Assets except for changes consistent with Good Utility Practices;

(ii) except for Permitted Encumbrances, sell, lease (as lessor), pledge, encumber, restrict, transfer or otherwise dispose of, or grant any right with respect to, any

of the Acquired Assets, other than assets acquired, leased, used, consumed or replaced in the ordinary course of business consistent with Good Utility Practices;

(iii) modify, amend or voluntarily terminate prior to the expiration date thereof any Seller's Agreement, Real Property Agreement, Permit, Environmental Permit or NRC License or waive any default by, or release, settle or compromise any claim against any other party thereto, other than (A) in the ordinary course of business, to the extent consistent with Good Utility Practices, (B) with cause, to the extent consistent with Good Utility Practices, (C) as may be required in connection with the Seller's obligations to the Buyer under this Agreement, or (D) as may be reflected in Seller's Operating or Capital Budgets for 2001 and Tentative Operating and Capital Budget for 2002 (as set forth in Schedule 6.1(a)(vi);

(iv) enter into any commitment for the purchase or sale of Nuclear Fuel having a term that extends beyond the Refueling Outage or such other date that the Parties mutually agree;

(v) other than the Amendatory Agreements, enter into any power sales agreement having a term that extends beyond the Closing;

(vi) enter into any commitment, lease or contract for goods or services (including through a modification or amendment of an existing agreement or otherwise) not reflected in Seller's Operating or Capital Budgets for 2001 and Tentative Operating and Capital Budgets for 2002 (as set forth in Schedule 6.1(a)(vi)) or addressed in clauses (i) through (v) above that will be delivered or provided after February 28, 2002 or such other date that the Parties mutually agree to be the date on which the Closing is expected to occur that exceeds two hundred and fifty thousand dollars (\$250,000) in the aggregate unless such commitment or contract is terminable by the Seller (or by the Buyer after the Closing) without further liability or has been agreed to by the Buyer in writing;

(vii) enter into, amend, make any material waivers under or otherwise materially modify any agreement or settlement with any Governmental Authority or make any new or modify any current election relating to or regarding the tax status of the Acquired Assets for any taxable period ending after December 31, 2000 or change any current election with respect to Taxes affecting the Acquired Assets, in each case other than in the ordinary course of business;

(viii) change, in any material respect, its accounting methods or practices;

(ix) establish, adopt, enter into or amend the Benefits Plans or other employment plans, arrangements or practices, or grant to any Transferred Employee any material increase in compensation, nor shall the Seller hire any new employees or transfer any existing employees other than to fill vacancies in existing positions, in all cases except (A) to the extent required by the terms of the IBEW Collective Bargaining Agreement or applicable law, (B) in the ordinary course of business consistent with past practice, (C) as set forth in Schedule 6.1(a)(ix), or (D) if the Old IBEW Contract is in

effect on the Effective Date, the Seller may enter into a new contract to replace the Old IBEW Contract;

(x) amend or modify the Seller's Decommissioning Trust Agreement or the Vermont Yankee Spent Fuel Disposal Trust (other than an amendment to reflect the transactions contemplated hereby);

(xi) make any material change in the levels of Inventory customarily maintained by the Seller with respect to the Acquired Assets, other than consistent with Good Utility Practices; or

(xii) settle or compromise any Environmental Claim, including with any Governmental Authority, except to the extent such settlement or compromise does not impose any post-Closing Liabilities on the Buyer or require any post-Closing Remediation.

(b) During the Interim Period, in the interest of facilitating an orderly transition of the management of the Acquired Assets at the Closing and permitting informed action by the Buyer regarding its rights pursuant to Section 6.1(a), the Parties agree that a committee comprised of one or more senior representatives designated by the Seller and one or more senior representatives designated by the Buyer (the "Transition Committee") will be established as soon as practicable after the execution of this Agreement to permit the Buyer to observe the operation of the Acquired Assets and to facilitate the transfer of the Acquired Assets to the Buyer at the Closing. The Transition Committee will be kept fully apprised by the Seller of all material VYNPS management and operating developments. The Transition Committee shall have regular access to the management of the Seller (including to any written management reports on the operations of VYNPS given to the Board of Directors). The Transition Committee shall be accountable directly to the respective chief executive officers of the Buyer and the Seller and shall from time to time report its findings to the senior management of each of the Seller and the Buyer. The Transition Committee shall have no authority to enter into a legally binding agreement to bind the Buyer or the Seller. The Buyer in its sole discretion may send personnel to the Site at the Buyer's expense to continue the Buyer's transition efforts with respect to the Acquired Assets. The Seller shall provide the Buyer, at no cost to the Buyer, interim furnished office space, utilities and HVAC at the Facility reasonably necessary to allow the Buyer and its Representatives to conduct their transition efforts during the Interim Period; provided that all other costs and expenses of the Buyer's transition activities shall be borne by the Buyer, including without limitation the cost of workers' compensation and employers' liability coverage and reimbursement of the Seller for any such costs initially charged to the Seller.

(c) During the Interim Period, the Seller shall retain full authority to conduct all operations at the VYNPS and to make all decisions and take all actions necessary to comply with NRC requirements and the conditions of the NRC Licenses. Nothing contained in this Agreement shall be construed to diminish or impair such authority of the Seller.

(d) During the Interim Period the Buyer and the Seller will cooperate to work on any mutually agreeable uprate of the Facility, and the Purchase Price shall be increased to reflect the cost of any such uprate work paid for by the Seller.

6.2 Access to Information. During the Interim Period, the Seller will, during ordinary business hours and upon reasonable notice and subject to compliance with all applicable NRC rules and regulations: (i) permit the Buyer and Buyer's Representatives to have reasonable access, in a manner so as not to unreasonably interfere with the normal operations of the Seller, to all books, records, plants, offices and other facilities and properties constituting the Acquired Assets in order to plan for and facilitate an orderly transition of ownership of the Acquired Assets; (ii) furnish the Buyer with operating data and other information with respect to the Acquired Assets as the Buyer may from time to time reasonably request; and (iii) furnish the Buyer a copy of each material report, schedule or other document filed or received by the Seller with respect to the Acquired Assets with the NRC, FERC, VTDPS, VTPSB or any other Governmental Authority having jurisdiction over the Acquired Assets. All access and inspections by the Buyer (whether pursuant to this Section 6.2 or otherwise) are subject to the following provisions:

(a) Physical Access (Escorted and Unescorted).

(i) The Buyer shall, with respect to each Person designated by the Buyer to have escorted access to the Facility, provide the following information for each such Person to the Plant Manager for the Facility (or his designee) no later than twenty-four (24) hours prior to the proposed time of access by such Person: name, date of birth, social security number, and the name of each nuclear power plant at which such Person has a current badge for unescorted access. The Seller reserves the right where necessary to limit the number of Persons to whom escorted access is provided at any one time on account of safety and/or reasonable logistical considerations.

(ii) Subject to the immediately succeeding sentence, the Buyer shall, with respect to each Person designated by the Buyer to have unescorted access to the Facility, provide reasonable notice to the Plant Manager for the Facility (or his designee), so as not to interfere with the normal business operations of the Facility, and such Person shall comply with all existing requirements of the Facility and NRC for unescorted access, including, but not limited to, background investigation, training requirements, fitness-for-duty requirements, a psychological assessment and behavioral observation.

(iii) In the event that the Buyer shall have a fitness-for-duty program meeting the requirements of 10 C.F.R. Part 26, the Buyer may request that any Person subject to such program be excused from compliance with the fitness-for-duty program of VYNPS, in which event the provisions of 10 C.F.R. Section 26.23 shall be applicable to such Person designated by the Buyer to have unescorted access to the Facility.

(b) Access to Records and Information. Under no circumstances shall the Seller be required to provide access to any documents or information constituting or containing "Classified National Security Information" or "Restricted Data", as defined in 10 C.F.R. Part 73. The Seller shall not be required to provide access to any documents or information constituting or containing "Safeguards Information", as defined in 10 C.F.R. Part 73, except to any Person designated by the Buyer to have access to such information and the Buyer shall have first obtained authorization or concurrence from the NRC for the disclosure of such information to such Person.

(c) Limitations. Notwithstanding anything to the contrary in this Section 6.2, the Seller shall: (i) only furnish or provide such access to confidential personnel records and medical records as is allowed by applicable laws; (ii) not provide any information that the Seller or the Seller's counsel reasonably believes constitutes or could reasonably be deemed to constitute a waiver of the attorney-client privilege; and (iii) not be required to supply the Buyer with any information that the Seller is under a legal obligation not to supply, provided that Seller shall use Commercially Reasonable Efforts to obtain consent to disclose all material information otherwise described under this Section 6.2.

(d) The Buyer and the Seller acknowledge that all information regarding the Seller and the Sponsors furnished to or obtained by the Buyer or the Buyer's Representatives pursuant to this Section 6.2 shall be treated as Proprietary Information.

(e) Until December 31, 2012 or such other date as the Parties may agree in writing and subject to all applicable NRC rules and regulations, each Party agrees to provide, at its expense, safe storage for all of the books and records relating to the Acquired Assets, including all Transferred Employee Records or other personnel and medical records required by law, legal process or subpoena, in its possession after the Closing and agrees to provide to the other Party and its Representatives reasonable access to all such materials in its possession to the extent that such access may reasonably be required by such Party in connection with the Assumed Liabilities and Obligations or the Excluded Liabilities, or other matters relating to or affected by the operation of the Acquired Assets. Such access shall be afforded by the Party in possession of such books and records upon receipt of reasonable advance notice and during normal business hours. The Party exercising this right of access shall be solely responsible for any costs or expenses incurred by it pursuant to this Section 6.2(e). If the Party in possession of such books and records shall desire to dispose of any such books and records upon or prior to December 31, 2012, such Party shall, prior to such disposition, give the other Party a reasonable opportunity at such other Party's expense, to segregate and remove such books and records as such other Party may select. Notwithstanding the foregoing, the rights of access to medical records and other confidential employee records shall be subject to all applicable legal requirements.

(f) Seller agrees (i) not to release any Person (other than Buyer) from any confidentiality agreement now existing with respect to the Acquired Assets, or waive or amend any provision thereof and (ii) to assign any rights arising under any such confidentiality agreement (to the extent assignable) to Buyer.

(g) Notwithstanding the terms of the Confidentiality Agreement, Section 6.2(b) and Article VIII, the Parties agree that prior to the Closing Buyer may reveal or disclose Proprietary Information to any other Persons in connection with Buyer's financing and risk management of the Acquired Assets. During the Interim Period the Buyer and the Seller shall consult with each other and coordinate their dealings with Seller's suppliers and vendors. Except as may be permitted in the Confidentiality Agreement or as may have been permitted, with the Seller's written consent during the course of the Buyer's due diligence investigation of the Acquired Assets prior to the Effective Date, the Buyer agrees that, prior to the Closing Date, it will not (i) contact any employees or other contracting parties (other than suppliers and vendors)

of the Seller with respect to their employment or service relationship with the Seller or the Buyer in connection with the Acquired Assets, without the prior written consent of the Seller or (ii) contact INPO with respect to any aspect of the Acquired Assets, or the transactions contemplated hereby, without the prior written consent of the Seller.

(h) Upon notice to the other Party, either Party may provide Proprietary Information of the other Party to the SEC, NRC, FERC, VTDPs, VTPSB or any other Governmental Authority having jurisdiction over the Acquired Assets or any stock exchange, as may be necessary to obtain Seller's Required Regulatory Approvals or Buyer's Required Regulatory Approvals, respectively, or to comply generally with any relevant law, order, rule or regulation. The disclosing Party shall seek confidential treatment for the Proprietary Information provided to any such Governmental Authority and the disclosing Party shall notify the other Party as far in advance as practical of its intention to release to any Governmental Authority any such Proprietary Information.

6.3 Expenses. Except to the extent specifically provided herein, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including the cost of legal, technical and financial consultants and the cost of filing for and prosecuting applications for Required Regulatory Approvals, shall be borne by the Party incurring such costs and expenses. Notwithstanding anything to the contrary herein, Buyer and Seller will share equally the cost of all filing fees under the HSR Act and with respect to any NRC filings required to consummate the transactions contemplated hereby.

6.4 Further Assurances; Cooperation.

(a) Subject to the terms and conditions of this Agreement, each of the Parties hereto will use Commercially Reasonable Efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the sale of the Acquired Assets pursuant to this Agreement, including, without limitation, using Commercially Reasonable Efforts to ensure satisfaction, but not waiver, of the conditions precedent to each Party's obligations hereunder. Notwithstanding anything in the previous sentence to the contrary, the Seller and the Buyer shall use Commercially Reasonable Efforts to obtain all Permits and Environmental Permits and the NRC Licenses necessary for the Buyer to acquire and operate the Acquired Assets. Neither of the Parties hereto will, without the prior written consent of the other Party, take or fail to take any action, which would reasonably be expected to prevent or materially impede, interfere with or delay the transactions contemplated by this Agreement, other than as required of such Party under any requirement of law or order or rule of any Governmental Authority.

(b) From time to time after the Closing, without further consideration, the Seller will, at its own expense, execute and deliver such documents to the Buyer and take such additional action as the Buyer may reasonably request in order to more effectively consummate the sale and purchase of the Acquired Assets or to more effectively vest in the Buyer good and marketable title to the Acquired Assets subject to the Permitted Encumbrances. The Seller shall cooperate with the Buyer, at the Buyer's expense, in the Buyer's efforts to cure or remove any Permitted Encumbrances that the Buyer reasonably deems objectionable. From time to time

after the Closing, without further consideration, the Buyer will, at its own expense, execute and deliver such documents to the Seller as the Seller may reasonably request in order to evidence the Buyer's assumption of the Assumed Liabilities and Obligations.

(c) To the extent that the Seller's rights under any Seller's Agreement, Licensed Intellectual Property, or Real Property Agreement may not be assigned without the consent of another Person which consent has not been obtained, this Agreement shall not constitute an agreement to assign the same if an attempted assignment would constitute a breach thereof or be unlawful, and the Seller, at its expense, shall use Commercially Reasonable Efforts to obtain any such required consent(s) as promptly as possible. The Seller and the Buyer agree that if any consent to an assignment of any Seller's Agreement or Real Property Agreement shall not be obtained or if any attempted assignment would be ineffective or would impair the Buyer's rights and obligations under the applicable Seller's Agreement or Real Property Agreement so that the Buyer would not in effect acquire the benefit of all such rights and obligations, the Seller, to the maximum extent permitted by law and such Seller's Agreement or Real Property Agreement shall after the Closing appoint the Buyer to be the Seller's agent with respect to such Seller's Agreement or Real Property Agreement, and the Seller shall, to the maximum extent permitted by law and such Seller's Agreement or Real Property Agreement, enter into such reasonable arrangements with the Buyer as are necessary to provide the Buyer with the benefits and obligations of such Seller's Agreement or Real Property Agreement. The Seller and the Buyer shall cooperate and shall each use Commercially Reasonable Efforts after the Closing to obtain an assignment of such Seller's Agreement, Licensed Intellectual Property, or Real Property Agreement to the Buyer. The exercise by Buyer and Seller of the terms of this Section shall in no event constitute a waiver of the conditions to Closing set forth in Article VII.

(d) For a reasonable time after the Closing Date, the Buyer and the Seller agree to provide services to each other as reasonably required to the extent necessary to ensure the continuity of support for VYNPS and the orderly completion of projects or other work in progress that would be adversely affected if those services were interrupted. Such support by one Party to the other will not be unreasonably withheld, provided that requests for such support are made in a timely manner. The Party providing the requested support will be reimbursed for all reasonable costs thereof in accordance with established accounting procedures or on an alternative cost reimbursement basis as mutually agreed by the Parties.

(e) Until December 31, 2012 or such other date as the Parties may agree in writing, the Buyer shall provide to the Seller, on a rent-free basis, three contiguous offices with secretarial support space at the Brattleboro Site (as designated in Schedule 6.4(e) hereto) or comparable office facilities in the Buyer's other office buildings at the Vernon Site or other site, together with the requisite office furniture, communications equipment, heat, cooling and electric service as is reasonably requested by Seller and in all cases comparable to that provided to Buyer's employees and unrestricted access and egress therefrom necessary to conduct the continuing administrative support activities for the Seller's business. During such period, the Buyer shall also provide to the Seller (at the Buyer's cost) accounting support services for the preparation of employee and contractor tax reports and other audit matters.

(f) The Buyer agrees to comply with all applicable NEPOOL standards and requirements.

(g) Within twenty (20) days after the Effective Date, the Seller will call and hold a meeting of its shareholders to seek approval of this Agreement and will promptly give the Buyer a written notice of the results thereof.

6.5 Public Statements. From time to time after the date hereof until thirty (30) days after the Closing Date, the Parties shall not issue any public announcement or statement with respect to this Agreement or the transactions contemplated hereby without the prior written consent of the other Party, which consent will not be unreasonably withheld or delayed, except as may be required by law, or by orders or rules of any Governmental Authority, the rules of the New York Stock Exchange or by any listing or trading agreement.

6.6 Notices, Consents and Approvals.

(a) HSR Filing. The Seller and the Buyer shall each file or cause to be filed with the Federal Trade Commission and the United States Department of Justice any notifications required to be filed under the HSR Act and the rules and regulations promulgated thereunder with respect to the transactions contemplated hereby. The Parties shall cooperate with each other and shall use Commercially Reasonable Efforts to make such filings as promptly as possible after the Effective Date, to respond promptly to any requests for additional information made by either such agency and to cause the waiting periods under the HSR Act to terminate or expire at the earliest possible date after the date of filing. Buyer and Seller shall be equally responsible for the cost of all filing fees under the HSR Act, but each Party will bear its own costs for the preparation of any such filing.

(b) Required Approvals. The Seller and the Buyer shall cooperate with each other and use Commercially Reasonable Efforts to (i) promptly prepare and file all necessary documentation, (ii) effect all necessary applications, notices, petitions and filings and execute all agreements and documents, (iii) obtain the transfer, issuance or reissuance to the Buyer of all necessary Transferable Permits, and (iv) obtain all necessary consents, approvals and authorizations of all other parties necessary or advisable to consummate the transactions contemplated by this Agreement or any of the Ancillary Agreements (including, without limitation, the Seller's Required Regulatory Approvals and the Buyer's Required Regulatory Approvals) or required by the terms of any note, bond, mortgage, indenture, deed of trust, license, franchise, permit, concession, contract, lease or other instrument to which the Seller or the Buyer is a party or by which either of them is bound. Prior to either Party's submission of any filing made in connection with the transactions contemplated by this Agreement or the Ancillary Agreements, the submitting Party shall give such filing to the other Party and the receiving Party shall have the opportunity to review and comment on, as promptly as possible after receipt of such draft filing, all characterizations of the information relating to the transactions contemplated by this Agreement and the Ancillary Agreements which appear therein, and the receiving Party shall have the right to attend and appear in the proceedings relating to such filings. The Parties shall consider, in good faith, such comments before making any filings.

(c) Nuclear Regulatory Commission Approval. (i) Application. As promptly after the Effective Date as may be feasible, the Buyer and the Seller shall jointly prepare and file an application with the NRC seeking transfer of the NRC Licenses to the Buyer on a schedule consistent with other recent applications for the transfer of other facilities. Thereafter, the Buyer and the Seller shall cooperate with one another to facilitate review of the Application by the NRC Staff, including but not limited to promptly providing the NRC Staff with any and all documents or information that the NRC Staff may reasonably request or require any of the parties to provide or generate.

(i) Prosecution of Application. The application shall identify the Buyer and the Seller as separate parties to the application. In the event the processing of such application by the NRC becomes a contested proceeding, until such contested proceeding is completed, the Buyer and the Seller shall have the right to separately appear therein by their own counsel.

(ii) Costs of Application and Prosecution. The Buyer and the Seller will each bear their own costs of the preparation, submission and processing of the application, including any contested proceeding that may occur in respect thereof; provided, however, that the Buyer shall bear the costs of all NRC Staff fees payable in connection with the application. In the event that the Parties agree upon the use of common counsel, they shall share equally the fees and expenses of such counsel.

(d) Other than Transferable Permits, the Buyer shall have the primary responsibility for securing the transfer, reissuance or procurement of the Permits, Environmental Permits and the NRC Licenses effective as of the Closing Date. The Seller shall have the primary responsibility for securing the transfer, reissuance or procurements of Transferable Permits effective as of the Closing Date. Each Party shall cooperate with the efforts of the other Party in this regard and assist in any transfer or reissuance or procurement of a Permit or Environmental Permit or a Transferable Permit.

(e) In no event shall either Party in connection with the foregoing proceedings be required to take or refrain from taking any action, or advance or refrain from advancing any position if such action would violate any applicable law, order or rule, or any code of professional conduct applicable to attorneys-at-law.

6.7 Interim Period Notice.

(a) The Buyer shall notify the Seller promptly if any information comes to its attention that would excuse the Buyer from the performance of its obligations under this Agreement or the Ancillary Agreements due to the Seller's inability to satisfy any condition to close set forth in Section 7.1.

(b) The Seller shall notify the Buyer promptly if any information comes to its attention that would excuse the Seller from the performance of its obligations under this Agreement or the Ancillary Agreements due to the Buyer's inability to satisfy any condition to close set forth in Section 7.2.

(c) The Seller shall promptly notify the Buyer in writing of the existence of any matter, which if in existence on the Effective Date or the Closing Date would cause any of the representations or warranties in Article IV above to be untrue or incorrect. If all of such untrue or incorrect representations or warranties could reasonably be expected to cost more than five hundred thousand dollars (\$500,000) in the aggregate to cure, the Buyer shall have the right, if the Seller has not within twenty (20) days after receipt by the Buyer of the notice referred to in the preceding sentence (the “Cure Commencement Period”) committed in writing to cure such untrue or incorrect representations or warranties, to terminate this Agreement upon written notice to the Seller. If the cost to cure all of such untrue or incorrect representations or warranties could reasonably be expected to be five hundred thousand dollars (\$500,000) or less in the aggregate or if the Buyer does not exercise the right referred to in the preceding sentence or the final sentence of this Section 6.7(c) to terminate this Agreement within twenty (20) days after the Cure Commencement Period or within ninety (90) days after the Cure Commencement Period for such longer period, as the case may be, the written notice pursuant to this Section 6.7(c) shall be deemed to have amended the appropriate Schedule or Schedules as of the Effective Date, to have qualified the representations and warranties contained in Article IV above as of the Effective Date, and to have cured any misrepresentation or breach of warranty that otherwise might have existed hereunder by reason of the existence of such matter. If, after the Seller commits to cure such untrue or incorrect representations or warranties exceeding five hundred thousand dollars (\$500,000) in the aggregate, the same remain uncured for the earlier of (i) 90 days after the Cure Commencement Period (or such longer period as the Seller is diligently pursuing such cure) or (ii) the Closing, the Buyer may terminate this Agreement by giving written notice of termination to the Seller.

(d) The Buyer shall promptly notify the Seller in writing of the existence of any matter, which if in existence on the Effective Date or the Closing Date would cause any of the representations or warranties in Article V above to be untrue or incorrect. If all of such untrue or incorrect representations or warranties could reasonably be expected to cost more than five hundred thousand dollars (\$500,000) in the aggregate to cure, the Seller shall have the right, if the Buyer has not within twenty (20) days after receipt by the Seller of the notice referred to in the preceding sentence committed in writing to cure such untrue or incorrect representations or warranties, to terminate this Agreement upon written notice to the Buyer. If the cost to cure all of such untrue or incorrect representations or warranties could reasonably be expected to be five hundred thousand dollars (\$500,000) or less in the aggregate or if the Seller does not exercise the right referred to in the preceding sentence or the final sentence of this Section 6.7(c) to terminate this Agreement within twenty (20) days after the Cure Commencement Period or within ninety (90) days after the Cure Commencement Period (or such longer period), as the case may be, the written notice pursuant to this Section 6.7(d) shall be deemed to have amended the appropriate Schedule or Schedules as of the Effective Date, to have qualified the representations and warranties contained in Article V above as of the Effective Date, and to have cured any misrepresentation or breach of warranty that otherwise might have existed hereunder by reason of the existence of such matter. If, after the Buyer commits to cure such untrue or incorrect representations or warranties exceeding five hundred thousand dollars (\$500,000) in the aggregate, the same remain uncured for the earlier of (i) ninety (90) days after the Cure Commencement Period (or such longer period as the Buyer is diligently pursuing such cure) or

(ii) the Closing, the Seller may terminate this Agreement by giving written notice of termination to the Buyer.

(e) As soon as practicable after the Effective Date, the Buyer shall notify the Seller in writing whether, after a diligent review, it has determined in its reasonable discretion that one or more of the Special Exceptions numbered 14, 23 or 44 listed in Part A of Schedule 4.7 would constitute a material obstacle to the Buyer's ability to operate the Facility after the Closing. If that determination is affirmative, the Buyer and the Seller shall promptly mutually assess the available cures therefor. If the cost to cure such obstacle could reasonably be expected to be five hundred thousand dollars (\$500,000) or less, the Seller shall, at its sole expense, undertake to perform such cure as soon as practicable, but in any event prior to Closing. If the cost to cure such obstacle could reasonably be expected to be more than five hundred thousand dollars (\$500,000), the Buyer shall have the right, if the Seller has not within a reasonable time committed in writing to cure such obstacle, to terminate this Agreement.

(f) The Seller shall be entitled to amend, substitute or otherwise modify any Seller's Agreement to the extent that such Seller's Agreement expires by its terms prior to the Closing or is terminable without liability to the Buyer on or after the Closing, or if the terms and conditions of such modified Seller's Agreement constituting the Assumed Liabilities and Obligations are on terms and conditions not less favorable to the Buyer than the original Seller's Agreement. Subject to Sections 6.7(a), (b), (c) and (d), nothing contained herein shall relieve the Seller or the Buyer of any breach of representation, warranty or covenant under this Agreement existing as of the date hereof or any subsequent date as of which such representation, warranty or covenant shall have been made.

(g) Within ten (10) Business Days after the receipt of any Buyer's or Seller's Required Regulatory Approval, the Party receiving such approval (the "Receiving Party") shall notify the other Party in writing if the approval is not in form and substance reasonably satisfactory to the Receiving Party, in its sole discretion.

6.8 Employees.

(a) The Buyer or an Affiliate will offer employment at the Site, commencing as of the Closing, at wages, including, without limitation, base pay and bonuses, not less than the employee was receiving immediately prior to the Closing, and benefits, including benefits provided under any employee benefit plan or program that are comparable to those existing immediately prior to the Closing, for a period of at least twelve months from that date to all regular employees of VYNPC on the Closing Date. As used in Section 6.8, the term "regular employee" excludes those employees who are temporary or casual or who may be considered jointly employed by VYNPC and any other person or entity.

(b) The Buyer will honor and assume all existing employment contracts referred to in the first sentence of Section 4.11 of VYNPC employees who are Transferred Employees and those entered into pursuant to Section 6.1(a)(ix).

(c) All offers of employment shall be made in accordance with applicable federal, state and local laws and regulations.

(d) Unless otherwise specifically provided herein, all Transferred Employees shall retain their seniority and receive full credit for service with the Seller (including service with a Sponsor to the extent credited by Seller) in connection with entitlement to compensation, vacation, benefits and rights under any employment agreement or agreements with any union, to the extent such service is recognized by the Seller.

(e) If the Buyer terminates the employment of any Transferred Employee, who is not in the bargaining unit represented by the IBEW, during the twelve months immediately following the Closing Date for any reason other than for cause, the Buyer shall provide severance benefits to such affected employee pursuant to any VYNPC severance policy and/or agreements in effect on the Closing (and as set forth in Schedule 4.12(a)) or entered into in accordance with this Agreement.

(f) As of the Closing, the Buyer shall succeed to all VYNPC's obligations to recognize and bargain with the IBEW or any other properly recognized or certified collective-bargaining representative and shall assume any agreements between the IBEW and VYNPC.

(g) As of the Closing, all Transferred Employees and their eligible dependents shall commence participation in welfare benefit plans of the Buyer or its Affiliates (the "Replacement Welfare Plans") that will provide benefits or coverage substantially similar to the benefits or coverage provided to the Transferred Employees and their eligible dependents under the Seller's plans and programs in effect for the Transferred Employees and their eligible dependents immediately prior to the Closing. The Buyer shall (i) waive all limitations as to pre-existing condition exclusions and waiting periods with respect to the Transferred Employees and their eligible dependents under the Replacement Welfare Plans, other than, but only to the extent of, limitations or waiting periods that were in effect with respect to such employees under the welfare benefit plans maintained by the Seller and that have not been satisfied as of the Closing Date, and (ii) provide each Transferred Employee and their eligible dependents with credit for any co-payments and deductibles paid prior to the Closing Date, during a plan year under the Seller's plan that has not ended as of the Closing Date, in satisfying any deductible or out-of-pocket requirements under the Replacement Welfare Plans (on a pro-rata basis in the event of a difference in plan years).

(h) The Buyer shall assume sponsorship of the Seller's "Thrift Plan for Management Employees" and "Thrift Plan for Employees who are members of the IBEW" (the "Assumed Thrift Plans"), which includes (but is not limited to) the assumption of any and all past, present and future Liabilities pursuant to the Assumed Thrift Plans. The Seller shall cause the Transferred Employees and the Non-Transferred Employees to be fully vested in their respective account balances under the Assumed Thrift Plans immediately before the Closing Date. Non-Transferred Employees will not be considered active participants in the Assumed Thrift Plans, and will not be able to make contributions to the Assumed Thrift Plans. Non-Transferred Employees will be treated as terminated/retired employees under the Assumed Thrift Plans as of the Closing. The Seller shall remain responsible for, and in accordance with the Code, shall timely transfer to the trustee for the Assumed Thrift Plans all required employee contributions to the Assumed Thrift Plans with respect to employment prior to the Closing.

(i) The Buyer shall assume sponsorship of (i) the “Retirement Plan for the IBEW”, which is the Seller’s defined benefit pension plan for Union Employees, and (ii) the Final Average Pay Pension Plan, which is the Seller’s defined benefit pension plan for Non-Union Employees (collectively referred to as the “Seller’s Defined Benefit Plans”), which includes (but is not limited to) the assumption of any and all past, present and future Liabilities pursuant to the Seller’s Defined Benefit Plans. The Buyer assumes Liability for all benefit payments under the Seller’s Defined Benefit Plans for all participants, whether active, retired, terminated vested participants, or eligible beneficiaries. The Seller shall cause all Transferred Employees and all Non-Transferred Employees to be fully vested in their respective accrued benefits under the Seller’s Defined Benefit Plans as of the Closing. Non-Transferred Employees will be treated as terminated/retired employees under the Seller’s Defined Benefit Plans as of the Closing.

(j) The Buyer shall assume sponsorship of the Seller’s VEBA for Non-Union Employees and the Seller’s VEBA for Union Employees, as well as the 401(h) accounts in the Seller’s Defined Benefit Plans maintained by the Seller for the purpose, in whole or in part, of funding post-retirement benefits (collectively referred to as the “Seller’s Retiree Welfare Plans”). The Buyer assumes responsibility and Liability for all benefit payments under the Seller’s Retiree Welfare Benefit Plans for all participants, whether active, retired, or beneficiaries.

(k) The Seller shall file in a timely manner all reports or other information required by the Pension Benefit Guaranty Corporation under Section 4043 of ERISA in connection with the transfer of sponsorship of the Seller’s Defined Benefit Plans.

(l) On and after the Closing, the Buyer shall assume Liability for all benefit payments from the Seller’s Defined Benefit and Retiree Welfare Benefit Plans.

(m) The Buyer shall assume Liability for any obligations to make severance payments to any (i) Transferred Employees whose employment with the Buyer or its Affiliates is terminated by the Buyer on or after the Closing or (ii) employees of the Seller terminated by the Seller prior to the Closing with the written consent of the Buyer.

(n) The Seller shall be responsible, with respect to the Acquired Assets, for performing and discharging all requirements under the WARN Act and under applicable state and local laws and regulations for the notification of its employees of any “employment loss” within the meaning of the WARN Act which occurs solely as a result of actions taken prior to the Closing. The Buyer shall be responsible, with respect to the Acquired Assets, for performing and discharging all requirements under the WARN Act and under applicable state and local laws and regulation for the notification of employees of any “employment loss” within the meaning of the WARN Act which occurs directly or indirectly as a result of any action taken on or after the Closing.

(o) The Buyer agrees to assume Liability for COBRA administration for all Transferred Employees, Non-Transferred Employees, and former employees of the Seller, and their qualified beneficiaries who become or became entitled to such COBRA continuation coverage on or before the Closing. Any COBRA coverage provided pursuant to the preceding

sentence shall be provided under the Replacement Welfare Plans and need not be identical to the coverage provided under the Seller's welfare benefit plans, except as required by applicable law.

(p) The Buyer agrees to assume Liability for all of the Seller's obligations to reimburse Transferred Employees who are hired and start work during the Interim Period for relocation expenses payable in accordance with the Seller's policy in effect on the Effective Date and consistent with the Seller's past practice to the extent any such obligations to reimburse eligible expenses are outstanding on the Closing, provided that such amount did not become due, consistent with the Seller's past practice, prior to the Closing. The Buyer further agrees, to the extent consistent with the Seller's past practice, that it will not attempt to recoup from any Transferred Employee who leaves the Buyer's employ after the Closing any relocation expenses that were paid to such employee by the Seller.

(q) The Seller shall remain responsible for paying Transferred Employees for (i) all salary and wages, and a pro rata share of all bonuses and incentive compensation that were earned for time worked for the Seller prior to the Closing, and (ii) all workers' compensation, disability benefits or other insurance benefits that were accrued and for which entitlement is based upon events occurring prior to the Closing including any incurred claims under employee benefit plans maintained by the Seller. Nothing in this Agreement shall be construed as making the Seller liable for any benefit under any of the Seller's Benefit Plans for which the Seller would not be liable under the terms of such plans. The Seller shall pay to the Buyer as promptly as practicable following the Closing, but by no later than the thirtieth (30th) day after the Closing, the cash equivalent for all unpaid vacation and holiday time for Transferred Employees which have accrued prior to the Closing. The Buyer shall thereafter be responsible for the payment of such vacation and holiday benefits to Transferred Employees. The Seller shall not be responsible for the payment of sick pay or personal time associated with the Transferred Employees on or after the Closing.

(r) At the Closing, the Buyer agrees to adopt and assume Liability for any (i) non-tax qualified executive or management retirement program or incentive for any VYNPC employee, (ii) all change-in-control arrangements or agreements for any VYNPC employee, and (iii) all other Benefit Plans and programs of the Seller not expressly referred to in the other clauses of this Section 6.8, if and to the extent that the assets funding any benefit identified in clause (i), (ii) or (iii), if any, and their income and appreciation, if any, are transferred to the Buyer. In the event those assets cannot be transferred to the Buyer, Seller shall retain all responsibility for those benefits accrued through the Closing. The Buyer shall then establish, effective as of the Closing, comparable benefits for covered executives.

(s) Subject to the provision of Section 6.8(a), individuals who are otherwise "Union Employees" or "Non-Union Employees" but who on any date are not actively at work due to a leave of absence covered by the Family and Medical Leave Act of 1993, the Vermont Parental and Family Leave laws and regulations, or due to any other authorized leave of absence, shall nevertheless be treated as "Union Employees" or as "Non-Union Employees," as the case may be, on such date if they are able to (i) return to work within the protected period under the Family and Medical Leave Act of 1993, the Vermont Parental and Family Leave laws and regulations, or such other leave (which in any event shall not extend more than twelve (12)

weeks after the Closing Date or such longer period required by law), whichever is applicable, and (ii) perform the essential functions of their job with or without a reasonable accommodation.

(t) The Seller shall make available to the Buyer reasonable information regarding compensation and employee benefit coverages and the services of appropriate employees at such reasonable times, including prior to the Closing, as may be reasonably necessary for the design and proper administration by the Buyer of any matters relating to service, compensation and employee benefits affecting Transferred Employees. The Seller shall use Commercially Reasonable Efforts (i) to secure any consent necessary in order to provide the Buyer such information and (ii) to cooperate to effect the transfer to the Buyer of any insurance policies, third-party administration agreements or any other contracts or agreements maintained by the Seller that relate to the Benefit Plans and which are necessary of the delivery of benefits to the Transferred Employees.

(u) The Buyer shall pay all employees who are employed by the Seller on the Closing Date (whether they become Transferred Employees or not) and who are not in the bargaining unit represented by IBEW Local 300 a one-time One Thousand Dollar (\$1,000) payment, less applicable deductions, within 30 days after the Closing. The Buyer shall negotiate with the IBEW a payment for Union Employees which when added to any bonus relating to the sale of the Facility provided in the IBEW Collective Bargaining Agreement shall equal \$1,000.

6.9 Risk of Loss.

(a) From the date hereof through the Closing Date, all risk of loss or damage to the property included in the Acquired Assets shall be borne by the Seller. The Seller shall replace or repair any damage to the Acquired Assets in accordance with Good Utility Practices, except as otherwise provided in paragraphs (b) or (c) below. The Seller agrees to provide the Buyer such information as the Buyer shall reasonably request in connection with the repair, replacement or damage to any Acquired Asset.

(b) If, before the Closing all or any portion of the Acquired Assets is taken by eminent domain or is the subject of a pending or (to the Knowledge of the Seller) contemplated taking which has not been consummated, the Seller shall notify the Buyer promptly in writing of such fact. If such taking could reasonably be expected to have a Material Adverse Effect, the Buyer and the Seller shall negotiate in good faith to settle the loss resulting from such taking (including, without limitation, by making a fair and equitable (i) adjustment to the Purchase Price or (ii) restoration or replacement of such Acquired Assets) and, upon such settlement, consummate the transactions contemplated by this Agreement pursuant to the terms of this Agreement. If no such settlement is reached within sixty (60) days after the Seller has notified the Buyer of such taking, then the Buyer or the Seller may terminate this Agreement pursuant to Section 10.1(g). If such taking could not reasonably be expected to have a Material Adverse Effect, there shall be no adjustment to the Purchase Price.

(c) If, before the Closing all or any portion of the Acquired Assets are damaged or destroyed by fire or other casualty, the Seller shall notify the Buyer promptly in writing of such fact. If such damage or destruction could reasonably be expected to have a Material Adverse Effect and the Seller has not notified the Buyer of its intention to cure such

damage or destruction within fifteen (15) days after its occurrence, the Buyer and the Seller shall negotiate in good faith to settle the loss resulting from such casualty (including, without limitation, by making a fair and equitable adjustment to the Purchase Price) and, upon such settlement, consummate the transactions contemplated by this Agreement pursuant to the terms of this Agreement. If no such settlement is reached within sixty (60) days after the Seller has notified the Buyer of such casualty, then the Buyer may terminate this Agreement pursuant to Section 10.1(g). If such damage or destruction could not reasonably be expected to have a Material Adverse Effect, there shall be no adjustment to the Purchase Price, provided that Seller shall remain obligated to replace or repair such damage.

6.10 Decommissioning Funds.

(a) Between the Effective Date and the Closing, the Seller will make additional deposits from time to time to the the Decommissioning Funds in accordance with the FERC Order and IRS requirements. Notwithstanding the foregoing, in the event the aggregate value of the Qualified Decommissioning Fund and the Nonqualified Decommissioning Fund, as of the Closing, is less than the minimum decommissioning amount required for VYNPS by the applicable regulations of the NRC (the “NRC Minimum”), Seller shall be required to make an additional deposit to the Nonqualified Decommissioning Fund so that the aggregate value of the Qualified Decommissioning Fund and Nonqualified Decommissioning Fund together, measured as of the Closing, is equal to the NRC Minimum, provided, however, that such additional deposit together with the deposits made pursuant to the preceding sentence, shall in no event exceed an aggregate amount equal to (x) \$16,777,380 multiplied by (y) the number of days between July 1, 2001 and the Closing Date and divided by (z) 365.

(b) At the Closing, the Seller shall cause all of the assets of the Decommissioning Funds to be transferred to the Trustee under the Buyer’s Post-Closing Decommissioning Trust Agreement.

(c) Except as otherwise directed by the Buyer, the Seller shall ensure that the assets in the Nonqualified Decommissioning Fund as of the Closing Date consist of equity securities and/or fixed income securities and include minimal cash or general deposit accounts or other “Class I assets” within the meaning of Treas. Reg. §1.338-6T(b)(1).

(d) Between the date hereof and the Closing, the Seller (i) will cause the assets of the Decommissioning Funds to be invested in accordance with the Investment Guidelines to the Seller’s Decommissioning Trust Agreement in effect as of January 1, 2001 and (ii) will cause the Decommissioning Funds to maintain target protection positions in accordance with the policy described in the Vermont Yankee Decommissioning Master Trust Protection Program Policy Statement dated February 20, 2001.

6.11 Spent Nuclear Fuel Fees.

(a) Between the date hereof and the Closing, and at all times thereafter, the Seller will pay as they come due all Spent Nuclear Fuel Fees and any other fees associated with electricity generated at VYNPS prior to the Closing, and the Buyer shall have no liability or responsibility therefor. The Buyer shall pay and discharge all fees and expenses associated with

electricity generated at VYNPS from and after the Closing, and the Seller shall have no liability or responsibility therefor. The Buyer shall assume title to and responsibility for the storage and disposal of the Spent Nuclear Fuel in VYNPS as of the Closing. The Seller shall assign to the Buyer the DOE Standard Contract, except for the obligation to pay the one time fee, and shall provide the required notice to the DOE within ninety (90) days of transfer of title to spent fuel.

(b) The Seller agrees, upon receipt of at least 30 days advance written notice from the Buyer of the date on which the one-time fee for fuel burned prior to April 7, 1983 under the DOE Standard Contract will become due and payable in accordance with the terms of the DOE Standard Contract, to cause such fee to be duly paid when due, subject to any rights of set-off to which the Seller may be entitled by reason of the Department of Energy's defaults under said DOE Standard Contract.

6.12 Department of Energy Decontamination and Decommissioning Fees. The Seller will continue to pay all Department of Energy Decontamination and Decommissioning Fees relating to nuclear fuel purchased and consumed at VYNPS prior to the Closing, including, without limitation, all annual Special Assessment invoices to be issued after the Closing by the Department of Energy, as contemplated by its regulations at 10 C.F.R. Part 766 implementing Sections 1801, 1802 and 1803 of the Atomic Energy Act.

6.13 Cooperation Relating to Insurance and Price-Anderson Act. Until the Closing, the Seller will maintain in effect the same level of property damage and liability insurance for the Facility as in effect on the date hereof, including those insurance policies described in Schedule 4.9. The Seller shall cooperate with the Buyer's efforts to obtain insurance, including insurance required under the Price-Anderson Act or other Nuclear Laws with respect to the Acquired Assets. In addition, the Seller agrees to use reasonable efforts to assist the Buyer in making any claims against pre-Closing insurance policies of the Seller that may provide coverage related to Assumed Liabilities and Obligations.

6.14 Tax Clearance Certificates. The Seller and the Buyer shall cooperate and use their Commercially Reasonable Efforts to cause the Tax clearance certificates described in Schedule 4.24 of this Agreement to be issued by the appropriate taxing authorities prior to the Closing Date or as soon as practicable thereafter.

6.15 Nuclear Insurance Policies. The Buyer shall obtain and maintain policies of liability and property insurance with respect to the ownership, operation and maintenance of the Facility which shall afford protection against the insurable hazards and risks with respect to which units of similar size and type customarily maintain insurance, and which meets the requirements of 10 C.F.R. 50.54(w) and 10 C.F.R. Part 140. Such coverage shall include nuclear liability insurance from ANI in such form and in such amount as will meet the financial protection requirements of the Atomic Energy Act, and an agreement of indemnification as contemplated by Section 170 of the Atomic Energy Act. In the event that the nuclear liability protection system contemplated by Section 170 of the Atomic Energy Act is repealed or changed, the Buyer shall obtain and maintain, to the extent commercially available on reasonable terms, alternate protection against nuclear liability. In addition, the Buyer shall provide the financial assurance that it will be able to pay the retrospective premiums for the Facility as prescribed by Section 170 of the Atomic Energy Act.

6.16 Private Letter Ruling Requests. The Parties agree to cooperate in good faith in the preparation and filing of any private letter ruling requests to be made by the Buyer and the Seller (which shall be made as a single, joint filing by both Parties) in order to obtain the tax treatment desired by the Parties with respect to the transfer of the Decommissioning Funds pursuant to the terms of this Agreement (the “Private Letter Ruling Requests”). Without limiting the generality of the foregoing, the Buyer and the Seller shall use Commercially Reasonable Efforts to obtain one or more private letter ruling(s) from the IRS (the “Requested Rulings”), and further, the Buyer and the Seller shall use Commercially Reasonable Efforts to obtain private letter ruling(s) from the IRS determining that the Seller’s net operating loss attributable to the decommissioning obligations assumed by the Buyer will qualify for specified liability loss treatment under section 172 of the Code. Neither the Buyer nor the Seller shall take any action that would cause the transfer of assets from the Seller’s Qualified Decommissioning Fund to the Buyer’s Qualified Decommissioning Fund to fail to satisfy the requirements of Treas. Reg. 1.468A-6(b) (assuming solely for purposes of this sentence that the interest acquired by the Buyer constitutes a “qualified interest” in a “nuclear power plant” as defined in Treas. Reg. 1.468A-5(b), or cause the Buyer and the Seller to fail to obtain such a private letter ruling. The Buyer and the Seller shall take such actions as may be reasonably necessary to ensure that the request for such rulings does not result in a delay in receipt of the Requested Rulings.

6.17 Tax Matters.

(a) All transfer and sales Taxes incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the Buyer. The Buyer will file, to the extent required by applicable law, all necessary Tax Returns and other documentation with respect to all such transfer or sales Taxes, and Seller will be entitled to review such Tax Returns in advance and, if required by applicable law, will join in the execution of any such Tax Returns or other documentation. Prior to the Closing, the Buyer will provide to the Seller, to the extent possible, an appropriate exemption certificate in connection with this Agreement and the transactions contemplated hereby, due from each applicable taxing authority.

(b) With respect to Taxes to be prorated in accordance with Section 3.5 of this Agreement, Buyer shall prepare and timely file all Tax Returns required to be filed after the Closing with respect to the Acquired Assets, if any, and shall duly and timely pay all such Taxes shown to be due on such Tax Returns. Buyer’s preparation of any such Tax Returns shall be subject to the Seller’s approval for those periods prior to the Closing, which approval shall not be unreasonably withheld. The Buyer shall make such Tax Returns available for the Seller’s review and approval no later than fifteen (15) Business Days prior to the due date for filing such Tax Return. Not less than five (5) Business Days prior to the due date of any such Tax Return, the Seller shall pay to Buyer the amount shown as due on such Tax Return determined in accordance with Section 3.5 of this Agreement.

(c) The Buyer and the Seller shall provide the other Party with such assistance as may reasonably be requested by the other Party in connection with the preparation of any Tax Return, any audit or other examination by any taxing authority, or any judicial or administrative proceedings relating to liability for Taxes, and each will retain and provide the requesting Party with any records or information which may be relevant to such return, audit or examination,

proceedings or determination. Any information obtained pursuant to this Section 6.17(c) or pursuant to any other Section hereof providing for the sharing of information or review of any Tax Return or other schedule relating to Taxes shall be kept confidential by the Parties hereto.

(d) In the event that a dispute arises between the Seller and the Buyer as to the amount of Taxes, or the amount of any allocation of Purchase Price under Section 3.4, the Parties shall attempt in good faith to resolve such dispute, and any amount so agreed upon shall be paid to the appropriate Party. If such dispute is not resolved thirty (30) days thereafter, the Parties shall submit the dispute to the Independent Accounting Firm for resolution, which resolution shall be final, conclusive and binding on the Parties. Notwithstanding anything in this Agreement to the contrary, the fees and expenses of the Independent Accounting Firm in resolving the dispute shall be borne equally by the Seller and the Buyer. Any payment required to be made as a result of the resolution of the dispute by the Independent Accounting Firm shall be made within ten (10) days after such resolution, together with any interest determined by the Independent Accounting Firm to be appropriate.

6.18 Intentionally Omitted

6.19 Decommissioning. The Buyer hereby agrees that it will complete, at its expense, the Decommissioning of the Facility once the Facility is no longer utilized for power generation, and that it will complete all Decommissioning activities in accordance with all applicable laws and requirements, including those of the NRC, the Environmental Protection Agency and the State of Vermont as may be in effect as of the date that the Facility is proposed to be declared to be fully decommissioned, except that, whether or not permitted by any law or regulation, entombment shall not be an acceptable form of Decommissioning. The Seller shall disclose to the Buyer any and all commitments or representations, oral or otherwise, to any Governmental Authority with respect to the foregoing.

6.20 Guarantee. (a) Guarantor irrevocably and unconditionally guarantees to the Seller the full and prompt payment and satisfaction on its due date of the Cash Purchase Price and the due and punctual performance by the Buyer of all covenants and agreements to be performed under this Agreement at or prior to the Closing, in each case subject to the terms and conditions of this Agreement (collectively, the "Guaranteed Obligations"). In the event any part of the Guaranteed Obligations shall not have been so paid or performed in full when due and payable or when performance is due, as the case may be, Guarantor will, immediately upon notice by the Seller or, without notice, immediately upon the occurrence of any bankruptcy, liquidation, dissolution, insolvency, or reorganization of, or other similar proceedings involving, Buyer, pay or cause to be paid to the Seller (for its benefit or for the benefit of the obligee of such Guaranteed Obligation) the amount of such Guaranteed Obligations which are then due and payable and unpaid or unperformed, as the case may be. The obligations of Guarantor hereunder shall not be affected by the invalidity, unenforceability or irrecoverability of any of the Guaranteed Obligations as against the Buyer or any other Person. All payments or performance by Guarantor under this Section 6.20 shall be made on the same basis as payments or performance by the Buyer in accordance with this Agreement notwithstanding the fact that the collection or enforcement thereof against the Buyer may be stayed or enjoined under Title 11 of the United States Code (the "Bankruptcy Code") or other applicable law.

(b) Guarantor's obligation pursuant to this Section 6.20 is an unconditional guaranty of payment and not of collectibility and is in no way conditional or contingent. This Section 6.20 is irrevocable and shall remain in full force and effect until the earlier of (x) the termination date of this Agreement pursuant to Section 10.1(e), (y) the payment in full, satisfaction and discharge of all Guaranteed Obligations, and (z) the Closing. Guarantor acknowledges that the Seller has entered into the Agreement in reliance on this Section 6.20 being a continuing and irrevocable agreement and Guarantor agrees that its obligations hereunder may not be revoked either in whole or in part.

(c) The obligations and liability of Guarantor under this Section 6.20 shall be absolute, unconditional and shall remain in full force and effect without regard to, and shall not be released, suspended, discharged, terminated or otherwise affected by, any circumstance or occurrence whatsoever, including, without limitation: (a) any change in time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other amendment to, modification of, waiver of, or any consent to departure from, this Agreement; (b) any change in ownership of Guarantor or Buyer; (c) any bankruptcy, insolvency, or reorganization of, or other similar proceedings involving Guarantor or Buyer; or (d) any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or Buyer.

(d) If, as a result of bankruptcy, insolvency or reorganization of the Buyer or for any other reason, a claim is made upon the Seller at any time for repayment or recovery of any amounts received by the Seller from any source on account of any of the Guaranteed Obligations and the Seller repays or returns any amounts so received, or if the Seller becomes liable for any part of such claim by reason of any judgment or order of any court or administrative authority having competent jurisdiction, or for any settlement or compromise of any such claim, then Guarantor shall remain liable for the amounts so repaid or returned, or for the amounts for which the Seller becomes liable, as the case may be (such amounts being deemed part of the Guaranteed Obligations), to the same extent as if such amounts had never been received by the Seller, notwithstanding any termination hereof or the cancellation of any instrument or agreement evidencing the Guaranteed Obligations. Not later than five days after receipt of notice from the Seller, Guarantor shall pay to the Seller an amount equal to the amount of such repayment or return for which the Seller has so become liable. Payments hereunder by Guarantor may be required by the Seller on any number of occasions. If and to the extent that Guarantor makes any payment to the Seller or to any other person pursuant to or in respect of this Section 6.20, any claim which Guarantor may have against the Buyer by reason thereof shall be subject and subordinate to the prior payment in full of the Guaranteed Obligations.

(e) Except to the extent expressly required by this Agreement, Guarantor waives, to the fullest extent permitted by the provisions of applicable law, all of the following (including all defenses, counterclaims and other rights of any nature based upon any of the following):

(i) presentment, demand for payment and protest of nonpayment of any of the Guaranteed Obligations, and notice of protest, dishonor or nonperformance;

(ii) notice of acceptance of this Section 6.20 and notice that credit has been extended in reliance on Guarantor's guarantee of the Guaranteed Obligations;

(iii) notice of any breach or default under this Agreement or of any inability to enforce performance of the obligations of the Buyer with respect to this Agreement or notice of any acceleration of maturity of any Guaranteed Obligations;

(iv) demand for performance or observance of, and any enforcement of any provision of this Agreement, the Guaranteed Obligations or any pursuit or exhaustion of rights or remedies against the Buyer in respect of the Guaranteed Obligations or any requirement of diligence or promptness on the part of the Seller in connection with any of the foregoing;

(v) any act or omission on the part of the Seller which may impair or prejudice the rights of Guarantor, including rights to obtain subrogation, exoneration, contribution, indemnification or any other reimbursement from the Buyer, or otherwise operate as a deemed release or discharge;

(vi) any statute of limitations or any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than the obligation of the principal;

(vii) any "single action" or "anti-deficiency" law which would otherwise prevent the Seller from bringing any action, including any claim for a deficiency, against Guarantor before or after the Seller's commencement or completion of any foreclosure action, whether judicially, by exercise of power of sale or otherwise, or any other law which would otherwise require any election of remedies by the Seller;

(viii) all demands and notices of every kind with respect to the foregoing; and

(ix) to the extent not referred to above, all defenses (other than payment or performance) which the Buyer may now or hereafter have to the payment of the Guaranteed Obligations, together with all suretyship defenses, which could otherwise be asserted by Guarantor.

Guarantor represents that it has obtained the advice of counsel as to the extent to which suretyship and other defenses may be available to it with respect to its obligations hereunder in the absence of the waivers contained in this Section 6.20(e).

No delay or omission on the part of the Seller in exercising any right under this Agreement shall operate as a waiver or relinquishment of such right. No action which the Seller or the Buyer may take or refrain from taking with respect to the Guaranteed Obligations shall affect the provisions of this Section 6.20 or the obligations of the Buyer hereunder. None of the Seller's rights shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Buyer, or by any noncompliance by the Buyer with this Agreement, regardless of any knowledge thereof which the Seller may have or otherwise be charged with.

(f) This Section shall be binding upon Guarantor and its successors and permitted assigns and inure to the benefit of and be enforceable by the Seller and its successors and permitted assigns.

(g) Guarantor agrees that, until the Guaranteed Obligations are paid in full or terminated pursuant to Section 6.20(b), it will not exercise any right of reimbursement, subrogation, contribution, offset or other claims against the Buyer arising by contract or operation of law in connection with any payment made or required to be made by the Buyer under this Section 6.20. After the payment in full of the Guaranteed Obligations, Guarantor shall be entitled to exercise against the Buyer all such rights of reimbursement, subrogation, contribution and offset, and all such other claims, to the fullest extent permitted by law.

Guarantor covenants and agrees that, until the Guaranteed Obligations are paid in full or terminated pursuant to Section 6.20(b), all Liabilities now or hereafter owing by the Buyer to Guarantor, whether arising hereunder or otherwise, are subordinated to the prior payment in full of the Guaranteed Obligations and are so subordinated as a claim against the Buyer of any of its assets, whether such claim be in the ordinary course of business or in the event of voluntary or involuntary liquidation, dissolution, insolvency or bankruptcy, so that no payment with respect to any such Liability will be made or received while any breach or default in respect of the Guaranteed Obligations exists hereunder. If, notwithstanding the foregoing, any payment with respect to any such Liability is received by Guarantor in contravention of this Section 6.20, such payment shall be held in trust for the benefit of the Seller and promptly turned over to it in the original form received by Guarantor.

ARTICLE VIII **CONFIDENTIALITY**

(a) Each Receiving Party and each Representative thereof will treat and hold as confidential all Proprietary Information, refrain from using any such Proprietary Information except in connection with this Agreement, the Related Agreements and transactions contemplated hereby and thereby, and, if this Agreement is terminated prior to Closing, deliver promptly to the Disclosing Party or destroy, at the request and option of the Disclosing Party, all tangible embodiments and all copies, summaries or abstracts of any Proprietary Information received from such Disclosing Party which are in his or its possession. All Proprietary Information relating to the Acquired Assets as may be delivered to the Buyer prior to the Closing shall become Buyer's Proprietary Information and the Buyer shall be deemed to be the Disclosing Party with respect thereto upon consummation of the Closing, and the Seller shall not thereafter disclose any such Proprietary Information except to the extent allowed herein; provided, however, that, any such information which was not treated as confidential or proprietary by the Seller prior to Closing shall not become confidential or Proprietary Information of the Buyer after the Closing. In the event that the Receiving Party or any Representative thereof is requested or required (including, without limitation, (i) pursuant to any rule or regulation of any stock exchange or other self-regulatory organization upon which any of the Receiving Party's securities are listed, or (ii) by request for information or documents by any Governmental Authority or in any legal proceeding, including, without limitation, Buyer's Required Regulatory Approval and Seller's Required Regulatory Approval processes, interrogatory, subpoena, civil investigative demand, or similar process or pursuant to any freedom of information or open meeting law applicable to the Seller) to disclose any Proprietary Information, the Receiving Party will notify the Disclosing Party promptly of the request or requirement so that the Disclosing Party may seek an appropriate protective order or waive compliance with the provisions of this Article VIII. If, in the absence of a protective order or the receipt of a waiver hereunder, the Receiving Party is, on the advice of counsel, compelled to disclose any Proprietary Information to any tribunal or else stand liable for contempt or to disclose any Proprietary Information to any Person in compliance with any freedom of

information or open meeting law, the Receiving Party may disclose the Proprietary Information to the tribunal or such Person; provided, however, that the Receiving Party shall use its Commercially Reasonable Efforts to obtain, at the request of the Disclosing Party and at the Disclosing Party's cost, a voluntary agreement or other assurance that confidential treatment will be accorded to such portion of the Proprietary Information required to be disclosed as the Disclosing Party shall designate.

(b) The obligations of the Parties contained in this Section 8 shall remain in full force and effect for three (3) years from the date hereof and will survive the termination of this Agreement, the discharge of all other obligations owed by the Parties to each other and any transfer of title to the Acquired Assets. Notwithstanding the foregoing, the Parties shall continue to keep confidential any information required by law.

(c) The Receiving Party may provide Proprietary Information to the VDPS, VPSB, the FERC, the NRC, the SEC, the United States Department of Justice, the United States Federal Trade Commission or any other Governmental Authority with jurisdiction, as necessary, to obtain any consents, waivers or approvals or as may be necessary in order to comply generally with any law, rule or regulation as may be required for the Parties to undertake the transactions contemplated hereby. The Receiving Party will seek confidential treatment for such Proprietary Information provided to any such Governmental Authority and the Receiving Party will notify the Disclosing Party as far in advance as is practicable of its intention to release to any such Governmental Authority any such Proprietary Information, so as to permit such Disclosing Party a reasonable opportunity to obtain a protective order.

(d) Notwithstanding anything set forth herein, nothing in this Agreement shall be interpreted as precluding any Party from reporting or disclosing any information (i) to the NRC concerning any perceived safety issue within the NRC's regulatory jurisdiction, (ii) to any Governmental Authority having jurisdiction, (iii) with the prior written consent of the Disclosing Party, or (iv) to its Affiliates, attorneys, financial advisors and accountants who are assisting such Party in connection with the transactions contemplated by this Agreement, provided that such Affiliates, attorneys, financial advisors and accountants acknowledge the provisions of this Section 8 and agree to be bound hereby.

ARTICLE IX

INDEMNIFICATION

9.1 Indemnification.

(a) The Buyer shall indemnify, defend and hold harmless the Seller, its Affiliates, and any of their officers, directors, employees, shareholders and agents (each, a "Seller Indemnitee") from and against any and all claims, demands, suits, Losses, liabilities, damages, obligations, payments, costs and expenses (including, without limitation, the costs and expenses of any and all actions, audits, investigations, hearings, suits, proceedings, assessments, judgments, settlements and compromises relating thereto and reasonable attorneys' fees and reasonable disbursements in connection therewith) (each, an "Indemnifiable Loss"), asserted against or suffered by any Seller Indemnitee, that relate to, result from or arise out of (i) any breach by the Buyer or Guarantor of any representation, warranty or covenant contained in this

Agreement, provided, however, in the case of a breach of a representation or warranty contained in Article V, such Indemnifiable Losses shall in the aggregate exceed Five Hundred Thousand Dollars (\$500,000) less the cost of curing untrue or incorrect representations or warranties described in Section 6.7(d) that were not cured by the Buyer or Guarantor, (ii) the Assumed Liabilities and Obligations, (iii) any loss or damages resulting from or arising out of any Inspection, (iv) any Third Party Claims against a Seller Indemnatee arising out of or in connection with the Buyer's ownership or operation of VYNPS and other Acquired Assets on or after the Closing subject to the proviso in clause (i), if applicable, or (v) Taxes attributable to taxable income resulting from the Qualified Decommissioning Funds post-Closing.

(b) The Seller shall indemnify, defend and hold harmless the Buyer, its Affiliates, and any of their officers, directors, members, employees, shareholders, Representatives and agents (each, a "Buyer Indemnatee") from and against any and all Indemnifiable Losses asserted against or suffered by any Buyer Indemnatee, that relate to, result from or arise out of (i) any breach by the Seller of any representation, warranty or covenant contained in this Agreement, provided, however, in the case of a breach of a representation or warranty contained in Article IV, such Indemnifiable Losses shall in the aggregate exceed Five Hundred Thousand Dollars (\$500,000) less the cost of curing untrue or incorrect representations or warranties described in Section 6.7(c) that were not cured by the Seller, (ii) the Excluded Liabilities, (iii) noncompliance by the Seller with any bulk sales or transfer laws as provided in Section 11.12, (iv) any Third Party Claims against a Buyer Indemnatee arising out of or in connection with the Seller's ownership or operation of the Acquired Assets on or prior to the Closing (except to the extent related to Assumed Liabilities and Obligations), subject to the proviso in clause (i), if applicable, (v) any Third Party Claims against a Buyer Indemnatee arising out of or in connection with the Seller's ownership or operation of the Excluded Assets, (vi) all Taxes incurred by reason of any act of the Seller that either constitutes an act of "self-dealing" as defined in Treas. Reg. § 1.468A-5(b)(2) or results in the disqualification of the Qualified Decommissioning Fund under Treas. Reg. § 1.468A-5 or (vii) any claims or attachments of the Seller or any creditor of the Seller against the Decommissioning Funds after the Closing.

(c) The expiration or termination of any representation or warranty shall not affect the Parties' obligations under this Section 9.1 if the Indemnatee provided the Person required to provide indemnification under this Agreement (the "Indemnifying Party") with proper notice of the claim or event for which indemnification is sought prior to such expiration, termination or extinguishment.

(d) The rights and remedies of the Seller and the Buyer under this Article IX are the sole and exclusive remedies and in lieu of any and all other rights and remedies which the Seller and the Buyer may have under this Agreement or otherwise, with respect to (i) any breach of any representation or warranty set forth in this Agreement or (ii) the Assumed Liabilities and Obligations or the Excluded Liabilities, as the case may be. The indemnification obligations of the Parties set forth in this Article IX apply only to matters arising out of this Agreement, excluding the Ancillary Agreements. Any Indemnifiable Loss arising under or pursuant to an Ancillary Agreement shall be governed by the indemnification obligations, if any, contained in the Ancillary Agreement under which the Indemnifiable Loss arises. The maximum aggregate exposure for indemnity by the Seller or by the Buyer for any and all claims of breaches or

inaccuracies of representations or warranties made hereunder and indemnification of claims relating thereto shall be Twenty Million Dollars (\$20,000,000).

(e) Except for obligations under this Article IX, no Party (including an Indemnatee) shall be entitled to the remedy of specific performance by the other Party (including an Indemnifying Party).

(f) Notwithstanding anything to the contrary herein, no Party (including an Indemnatee) shall be entitled to recover from the other Party (including an Indemnifying Party) for any liabilities, damages, obligations, payments, losses, costs or expenses under this Agreement any amount in excess of the actual compensatory damages, court costs and reasonable attorney's and other advisor fees suffered by such Party. The Buyer and the Seller waive any right to recover punitive, incidental, special, exemplary and consequential damages arising in connection with or with respect to this Agreement. The provisions of this Section 9.1(f) shall not apply to indemnification for a Third Party Claim.

9.2 Defense of Claims.

(a) If any Indemnatee receives notice of the assertion of any claim or of the commencement of any claim, action or proceeding made or brought by any Person who is not a Party to this Agreement or any Affiliate of a Party to this Agreement (a "Third Party Claim") with respect to which indemnification is to be sought from an Indemnifying Party, the Indemnatee shall give such Indemnifying Party reasonably prompt written notice thereof, but in any event such notice shall not be given later than twenty (20) calendar days after the Indemnatee's receipt of notice of such Third Party Claim. Such notice shall describe the nature of the Third Party Claim in reasonable detail and shall indicate the estimated amount, if practicable, of the Indemnifiable Loss that has been or may be sustained by the Indemnatee. The Indemnifying Party will have the right to participate in or, by giving written notice to the Indemnatee, to elect to assume the defense of any Third Party Claim at such Indemnifying Party's expense and by such Indemnifying Party's own counsel, provided that the counsel for the Indemnifying Party who shall conduct the defense of such Third Party Claim shall be reasonably satisfactory to the Indemnatee. The Indemnatee shall cooperate in good faith in such defense at such Indemnatee's own expense. If an Indemnifying Party elects not to assume the defense of any Third Party Claim, the Indemnatee may compromise or settle such Third Party Claim over the objection of the Indemnifying Party, which settlement or compromise shall conclusively establish the Indemnifying Party's liability pursuant to this Agreement.

(b) (i) If, within twenty (20) calendar days after an Indemnatee provides written notice to the Indemnifying Party of any Third Party Claims, the Indemnatee receives written notice from the Indemnifying Party that such Indemnifying Party has elected to assume the defense of such Third Party Claim as provided in Section 9.2(a), the Indemnifying Party will not be liable for any legal expenses subsequently incurred by the Indemnatee in connection with the defense thereof; provided, however, that if the Indemnifying Party shall fail to take reasonable steps necessary to defend diligently such Third Party Claim within twenty (20) calendar days after receiving notice from the Indemnatee that the Indemnatee believes the Indemnifying Party has failed to take such steps, the Indemnatee may assume its own defense and the Indemnifying Party shall be liable for all reasonable expenses thereof.

(c) Without the prior written consent of the Indemnatee, the Indemnifying Party shall not enter into any settlement of any Third Party Claim which would lead to liability or create any financial or other obligation on the part of the Indemnatee for which the Indemnatee is not entitled to indemnification hereunder. If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnatee for which the Indemnatee is not entitled to indemnification hereunder and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to the Indemnatee to that effect. If the Indemnatee fails to consent to such firm offer within twenty (20) calendar days after its receipt of such notice, the Indemnifying Party shall be relieved of its obligations to defend such Third Party Claim and the Indemnatee may contest or defend such Third Party Claim. In such event, the maximum liability of the Indemnifying Party as to such Third Party Claim will be the amount of such settlement offer plus reasonable costs and expenses paid or incurred by Indemnatee up to the date of such notice.

(d) Any claim by an Indemnatee on account of an Indemnifiable Loss which does not result from a Third Party Claim (a “Direct Claim”) shall be asserted by giving the Indemnifying Party reasonably prompt written notice thereof, stating the nature of such claim in reasonable detail and indicating the estimated amount, if practicable, but in any event such notice shall not be given later than twenty (20) calendar days after the Indemnatee becomes aware of such Direct Claim, and the Indemnifying Party shall have a period of twenty (20) calendar days within which to respond to such Direct Claim. If the Indemnifying Party does not respond within such twenty (20) calendar day period, the Indemnifying Party shall be deemed to have accepted such claim. If the Indemnifying Party rejects such claim, the Indemnatee will be free to seek enforcement of its right to indemnification under this Agreement.

(e) If the amount of any Indemnifiable Loss, at any time subsequent to the making of an indemnity payment in respect thereof, is reduced by recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by, from or against any other entity, the amount of such reduction, less any costs, expenses or premiums incurred in connection therewith (together with interest thereon from the date of payment thereof to the date of repayment at the “prime rate” as published in The Wall Street Journal) shall promptly be repaid by the Indemnatee to the Indemnifying Party.

(f) A failure to give timely notice as provided in this Section 9.2 shall not affect the rights or obligations of any Party hereunder except if, and only to the extent that, as a result of such failure, the Party which was entitled to receive such notice was actually prejudiced as a result of such failure; provided, however, that in any case any such notice must be given prior to the expiration of the relevant representation or warranty.

ARTICLE X

TERMINATION

10.1 Termination.

(a) This Agreement may be terminated at any time prior to the Closing by mutual written consent of the Seller and the Buyer.

(b) This Agreement may be terminated by either the Seller or the Buyer by giving written notice to the other Party any time prior to Closing if any of the following has occurred: (i) any federal or state court of competent jurisdiction shall have issued an order, judgment or decree permanently restraining, enjoining or otherwise prohibiting the Closing, and such order, judgment or decree shall have become final and nonappealable, (ii) any statute, rule, order or regulation shall have been enacted or issued by any Governmental Authority which, directly or indirectly, prohibits the consummation of the Closing, or (iii) the Closing contemplated hereby shall have not occurred on or before July 31, 2002 (the “Termination Date”).

(d) Except as otherwise provided in this Agreement, this Agreement may be terminated by the Seller by giving written notice to the Buyer any time prior to Closing, if any of the Seller’s Required Regulatory Approvals or Buyer’s Required Regulatory Approvals, the receipt of which is a condition to the obligation of the Seller to consummate the Closing as set forth in Sections 7.2(c) and 7.2(d), shall have been finally denied or shall have been granted, subject to or contains terms or conditions that, in the case of the Seller’s Required Regulatory Approvals, would not be in form and substance reasonably satisfactory to the Seller (or the affected Sponsor) in its sole discretion and, in the case of the Buyer’s Required Regulatory Approvals, could reasonably be expected to cause a Material Adverse Effect, as determined by the Seller in its sole discretion.

(e) This Agreement may be terminated by the Buyer if there have been any violations or breaches by the Seller of any covenants, representations or warranties contained in this Agreement which have resulted in a Material Adverse Effect and such violations or breaches have not been cured by the date thirty (30) days after receipt by the Seller of written notice specifying particularly such violations or breaches or such violations or breaches have not been waived by the Buyer.

(f) This Agreement may be terminated by the Seller if there has been any violations or breaches by the Buyer of any covenants, representations or warranties contained in this Agreement which have resulted in a Material Adverse Effect and such violations or breaches have not been cured by the date thirty (30) days after receipt by the Buyer of written notice specifying particularly such violations or breaches or such breaches or such violations have not been waived by the Seller.

(h) This Agreement may be terminated by the Buyer or the Seller prior to the Closing if any “extraordinary nuclear occurrence” or “nuclear incident” or “precautionary evacuation” (as such terms are defined in the Atomic Energy Act), other than the nuclear incident at Three Mile Island in 1979, occurs at the Site or at any other licensed nuclear reactor site in the United States.

(i) Notwithstanding any provisions hereof to the contrary or inconsistent herewith, this Agreement may be terminated by the Seller, by giving written notice to the Buyer, if an order received on any of the Seller’s Required Regulatory Approvals is deemed to be unsatisfactory by the Seller in its sole discretion.

(j) Notwithstanding any provision hereof to the contrary or inconsistent herewith, this Agreement may be terminated by the Buyer, by giving written notice to the Seller, if an order received on any of the Buyer’s Required Approvals is deemed to be unsatisfactory by the Buyer in its sole discretion or if, prior to the Closing, Vermont legislation is enacted prohibiting operation of the Facility past its current NRC license expiration date or prohibiting the construction or use of dry storage facilities for Spent Nuclear Fuel.

10.2 Procedure and Effect of No-Default Termination. In the event of termination of this Agreement by either or both of the Parties pursuant to this Article 10, written notice thereof shall forthwith be given by the terminating Party to the other Party, whereupon, if this Agreement is terminated pursuant to any of Sections 10.1(a) through (d) and 10.1(g) through (j), the liabilities of the Parties hereunder will terminate, except as otherwise expressly provided in this Agreement, and thereafter neither Party shall have any recourse against the other by reason of this Agreement (except for recourse against any Party then in breach).

ARTICLE XI

MISCELLANEOUS PROVISIONS

11.1 Amendment and Modification. Subject to applicable law, this Agreement may be amended, modified or supplemented only by written agreement of the Seller and the Buyer and, with respect to Section 5.11 to 5.14, inclusive, and Section 6.20, only with the written consent of the Guarantor.

11.2 Waiver of Compliance; Consents. Except as otherwise provided in this Agreement, any failure of any of the Parties to comply with any obligation, covenant, agreement or condition herein may be waived by the Party entitled to the benefits thereof only by a written instrument signed by the Party granting such waiver, but such waiver of such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent failure to comply therewith.

11.3 Survival of Representations, Warranties, Covenants and Obligations.

(a) The representations and warranties contained in Article IV and Article V shall survive for eighteen (18) months from the Closing Date. The foregoing acknowledgment and agreement of the Buyer shall survive the Closing.
